biography:

Forthcoming Desecration Era

1997 - STILLBORN is formed in Mielec by Killer & Gopher.

1999 - Between July, 29th and August, 2nd the band records its first demo "Mirrormaze", in Manek Studio, Sanok (PL), with Arek "Malta" Malczewski as sound engineer.

2000 - Dgi joins the band as bass guitar player.

2001 - Second demo, entitled "Die In Torment 666" comes in July, recorded at Hertz Studio, Białystok (PL). Vocalist M joins the band.

2002 - Lukasz Urbanek takes Gopher`s place behind the percussion kit.

2004 - "Announcement of Forthcoming Desecration (Promo 2004)", is released by Time Before Time Records as a split with AZARATH called "Death Monsters".

Satanas el Grande Era

2004 - Ikaroz joins the band. In december "Satanas el Grande", the full-length debut, is out. Album has been recorded in Hertz Studio again, under supervision of Wiesławski Brothers and released by Pagan Records.

2006 - Reorganisation of the band. Weak arms are being cut off.

August & ataman Tolovy join the band.

The work over new compositions begins.

Manifiesto de Blasfemia Era

2007 - During the spring STILLBORN prepares and records the eleven death's anthems at Kwart Studio (Bochnia, PL) & Screw Factory Studio (Debica, PL). Second album entitled "Manifiesto de Blasfemia" is finished and prepared for release, estimated time of releasing by Pagan Records is September.
